Be a Voice for Life and Dignity!

Help pick candidates and shape party platforms

Many Minnesota Catholics feel a sense of “political homelessness,” as no party seems to advance a consistent ethic of life. But there is a fast-approaching opportunity to be part of the solution by participating in precinct caucuses, which will soon be held throughout the state.

Precinct caucuses are an important step in the political process where parties nominate candidates and form party platforms.

A unified Catholic voice at the caucus level can play a large role by urging political parties to adopt positions that foster human flourishing from conception to natural death.
