**Ministries** supported by the CSA and LRYC are similar, but have slightly different core areas of support:

- **CSA: 3 core ministry areas** include *Educate in Faith, Strengthen in Faith, and Help Those in Need*
- **LRYC: 5 core support areas include** *Strengthening our Parishes, Educating Children and Young People for Discipleship, Sustaining Our Cathedral and Basilica, Caring for our Clergy and Future Clergy, and Providing Corporal Works of Mercy*

**Parishes** of the archdiocese participate in and benefit from CSA and LRYC, but in slightly different ways:

- **CSA:** Parishioners generously donate gifts to help reach their parish's annual goal. **60% of all funds raised over parish goal** is returned to the parish - the remainder goes towards CSA funded ministries
- **LRYC:** Parishioners generously donate gifts in support of their parish's goal at the assigned time of the campaign. **60% of all funds** raised goes towards pre-established, locally decided parish needs - the remainder goes towards LRYC supported ministries

**Impact** of your CSA and LRYC gift is powerful and makes a difference in both the short and long term:

- **CSA:** Your donation is dispersed amongst supported ministries and makes an **immediate impact** on their work
- **LRYC:** Your donation either goes towards your parish's priorities, or towards the LRYC support area you choose, as an **investment in the future of our church**
