Featuring Mass with Bishop Michael Izen and a keynote presentation, *Ars Celebrandi: Becoming the Body of Christ* by Johan van Parys, you will discover how the rich signs, symbols and traditions of the liturgy draws us into a life-changing encounter with Christ.

Through engaging breakout sessions on Liturgy of the Hours, sacred art and Eucharistic Exposition, you will gain practical insights to enrich your faith, strengthen your participation in parish life and experience the Church's worship with fresh eyes and a renewed heart.
